

Monica Mancy

My passion for this church and the program began when I was only 10 years old. Our family joined in 1980 and I have fond memories of growing up in this church. After high school, I received my bachelor's and master's in elementary education. I taught for seven years before having a family. The past eight years I have been a stay at home mom with my three young children, George, Claudia and Margi. I am honored and looking forward to ministering the young families in our church.
